Hi Jean and Daniella
Thx for the update.
Re the NDA with "ColumbusNova a US Company with a headquarter in New York". You need to correct the 1st paragraph which still mentions Pro One Investment Ltd of Canada. And resend signed.
Re Loker I think you have also to notice the PCI people and follow on. If nothing happens in a week let me know and I'll prod Loker again to move forward.
Pl keep me updated on Daniel F. As well. Best time to reach him is early morning 7am. Before he starts working. In office he's always too busy.
Best
Ehud & Nili
